10 DAY PROPHECY TOUR TO SAUDI ARABIA & JORDAN | JAN 29 - FEB 6, 2025

## TERMS AND CONDITIONS

### Proper Documentation

All members of this tour must carry passports valid for at least six months beyond their scheduled date of return (August 8, 2025). A visa will be required for Saudi Arabia and for Jordan. We will arrange both for you in advance. The total fees if you arrive and depart with the group is \$210. If you arrive in Jordan different from the group, you will purchase that visa at the airport for \$50USD. At this time, there are no Covid requirements for Jordan or Saudi Arabia, as well as no required PCR tests and no injections. However, please note that things can also change. At this time, we have no way of knowing what could be implemented in the future. Please note that the vendors will have already accepted your booking knowing that there is a current global threat. Therefore, if you book this tour, you are accepting the terms of the airlines, the TSA, the countries to which you are traveling and/or other governing parties without fully knowing what they will be by the time that you actually travel.

### Air Tickets

There is an air block from Miami on Turkish Air (a United partner airline). Our group flight schedule is as follows:

January 29: Depart Miami at 9:30AM on Turkish Air #158 to Istanbul, arriving at 4:35AM on January 30.

Depart Istanbul at 8:10AM on Turkish Air #816 and arrive Amman, Jordan at 11:00AM.

February 6: Depart Aqaba, Jordan at 2:55AM on Turkish Air #832, arrive Istanbul at 6:00AM. Depart Istanbul at 3:20PM on Turkish Air #77 and arrive Miami at 8:40PM, same day.

The group fare in economy class round-trip from Miami is \$946.00 per person. Note, you are welcome to book Turkish Air on your own in business class. At the time this brochure was printed the round-trip fare in business class was \$3,408 per person. You would purchase this directly from Turkish Air or through any travel agency. Note on the economy group air we do not act as an agent for Turkish Airlines, we are simply arranging the air as a courtesy as a net cost to you. Seats, baggage and all details are up to the airline. We will request seat assignments for you but they will be announced at the airport. At 26 days prior to departure you can purchase exact seats assignments but our experience has been that there is no reason to do that. They are usually very good to work with. But if you have a health condition for example that demands you be in a right side aisle for example – you may want to pay for those seats in advance.

Re-issuance of tickets that must be changed or re-issued for any reason, may be subject to charges or fees by the carriers and/or other vendors; such fees may be substantial. We cannot stress enough the importance of trip cancellation insurance. As of 2024, we now offer "Cancel for Any Reason" insurance upgrades for policies through Trawick International.

Due to the current situation arising with struggling airlines, we are recommending that those purchasing airline tickets including connecting flight tickets wait until 21 days prior to departure to purchase such tickets.

### Limitations

The air carrier(s), group operators and LP reserve the right to substitute equipment and properties and to add or delete enroute stops at our discretion with or without notice. The hotels, airlines, ground operators and other vendors used by LP reserve the right, in special circumstances, to substitute accommodations/transportation and sights of similar or better quality without penalty. This includes sites as noted on the itinerary. If taking the extension, understand that the KSA is in its infancy. Because of this, they can choose to do sitework that may affect our visits.

### Singles

We match roommates! If you are a single person or traveling alone, we do have others who would like to travel with us without paying the single supplement. We

assign roommates approximately 2 weeks prior to departure. We cannot guarantee it, but it has worked well for many.

### Making Your Deposit / Reservations

- If depositing prior to October 15, 2024, a non-refundable deposit of \$750 per person is due (plus optional travel insurance) along with your signed registration form. If booking after October 15, 2024, full payment is due within 5 days of your registration. Payments not received by the due date are subject to a 5% monthly finance charge and a possible cancellation of the reservation.
- Please note we will continue to take bookings and reservations until our departure, as long as space is available, and we will do everything possible to make sure you can join us!
- You may use a credit card for your initial deposit and optional insurance and then pay the balance with cash or check and still receive the full cash discount.

### Changes / Revisions

We will try to accommodate name changes, but additional fees may be imposed and passed on by the carriers. If specific rooming requests are altered due to cancellation by one or more passengers, the passenger(s) still traveling may be required to pay the resulting applicable occupancy rate. Trip insurance may cover this additional cost.

### Cancellation and Refunds

In the event that you must cancel your reservation or payments are not received by specified deadlines, refunds are made in accordance with the following schedule. All cancellations received after booking and deposit will forfeit the \$750 deposit (sorry, no exceptions). Important to note, if you ARE planning on extending your trip in any way that includes Israel, as far as insurance companies are concerned: As of February 20, 2024, insurance companies do NOT cover Israel cancellations due to war or terrorism. Israel currently has that proclamation over it. At time of brochure printing, Saudi Arabia and Jordan do not have that stigma.

- 96 to 68 days prior to departure, the cancellation fee is \$1,690 (sorry, no exceptions), plus any additional costs incurred, pre- or post-options, and insurance or add-on travel that you may have purchased. Air tickets obtained on your behalf on Turkish Airlines will become completely nonrefundable at 96 days prior to departure (this is in addition to the cancellation fee of \$1,690). They may allow name changes depending on when we receive your cancellation.
- 67 days and less the trip becomes nonrefundable.
- Please know that credits transferred from another tour are subject to the nonrecoverable costs in place at the time of transfer. These funds will remain nonrefundable. If you accept the offered travel insurance, any insurance premium paid is nonrefundable, if you have filed a claim, plan to file a claim, or have departed on your trip and subject to the terms and conditions of the provider. Airfare is always non-refundable.

### Responsibility

LP has the responsibility of booking with airlines, hotels, transportation vehicles, ground operators and tour guides to provide you with these services. The carriers, hotels, and other suppliers providing tour services are independent contractors and are not agents, employees, or servants of, or joint ventures with LP or its affiliates. All certificates and other travel documents for tour services issued by LP are subject to the terms and conditions specified by the supplier, and to the laws of the countries in which the services are supplied. Each participant agrees not to hold LP liable, in the absence of its own negligence, for any loss, act or omission, whether negligent or otherwise, of any person or firm which is to, or does provide goods or services for the trip and shall have no liability to the participant for the quality of services or the condition or cleanliness of accommodations or for any transportation delay, including but not limited to liability for inconvenience, shortened vacation time, additional expense, or any other kind of damage. LP is not responsible for government actions,

## TERMS AND CONDITIONS

weather, mechanical breakdowns, war, terrorism, acts of nature (secularly known as “Acts of God”,) denying entrance to a site due to political or other reasons or other circumstances beyond its control. If a travel ban is imposed by the United States on any country we are scheduled to tour we will attempt to secure another destination. We cannot be held accountable due to political decisions. In the event of delay, the airline or tour company and not LP, determines delay procedures and the amenities/compensation, if any, to be offered. LP will not accept responsibility for additional charges incurred for expenses or lost wages as a result of changes to flight times, and/or missed vacation time.

### Activities

Participants may choose to engage in various activities including, but not limited to, climbing, camel-riding/participating in camel races, 4-wheeling, hiking, swimming and other “activities;” participants are hereby notified that these and other activities may be dangerous and may result in a serious injury and that participation in these activities shall be at the participant’s own risk. Living Passages (herein referred to as LP) shall not be liable for any injuries sustained by cruise/tour participants, which are a result of participants engaging in such activities.

### Travelers Who Need Special Assistance

LP must be advised of a participant’s special requirements at the time of booking and we will make every effort to accommodate special requests but cannot confirm a reservation until all travel suppliers have acknowledged that they can provide the services requested.

### Prepaid Tips

All tips are prepaid and distributed on your behalf throughout the tour to cover tipping for guides, drivers, etc. Since the people of Jordan have suffered greatly due to the war in Israel, any extra love gift of tips would be a blessing to your room cleaners, drivers, servers etc.

### Fuel Surcharges, Fees or Taxes

It is possible that the ground, vehicles, governments, visa providers or facilitators and other operators will bill LP for additional fuel surcharges, fees and or other taxes. You will be notified quickly and prior to being billed for final payment if any vendors make any of these types of increases. You may arrange your own air travel.

### Currency and Special Provisions

Pricing of tour and event was based on currency that was in effect on March 24, 2024. You will be notified as far in advance as possible in the event the price of the tour needs to be adjusted. We do not foresee this happening, but in today’s economic climate, we have to be prepared for any currency discontinuation or devaluation or “reset” that can affect any of the countries that we visit, transit or to which we provide governance. We will do everything possible to prevent this from happening, but we have to be mindful of the world’s current political climate.

### Safety

The safety of passengers is a primary concern of LP but also of the owners and operators of the vessels, aircraft, camps, resorts, ground transportation, and other facilities being used. If safety is threatened by any factors, the owners/operators of other facilities and services reserve the right to make whatever changes to the itinerary or schedule that they deem necessary for the safety of all. In the event of danger or war, we will do everything possible to facilitate a change of dates, destinations and vendor refunds. It all depends on timing and geography. There is never a set standard of operation. In 20 years, we have never seen an entirely negative outcome for a group. But, we do live in interesting times. In the event that you choose to climb, hike, snorkel, dive or take part in any activity, you are solely responsible to ensure that you have the capabilities to perform the activities. There will be additional Saudi emergency services that will be offered in the coming

months. This is supplied by a separate company for those who engage in these types of activities. We are traveling to Jabal al-Lawz and the Split Rock of Horeb - both of which have neither tourism nor medical infrastructure.

### Major Changes

Destinations and the sites offered here can be withdrawn at any time by government restrictions and other reasons beyond our control. Cancellations attributed to Covid or to any new disease-related creations and acts of war, postponements and such of any kind are not the responsibility of LP. You are booking the trip at your own risk and penalties will not be waived. If LP first knows of a major change less than 21 days before scheduled departure, LP’s liability is limited to refunds that we can obtain on your behalf, excluding insurance and any other nonrefundable airfare paid or visa fees, and nonrecoverable costs from our vendors but not for any COVID or other named health or vaccination mandate. LP contracts with certain hotels to supply accommodation. Occasionally, the accommodation reserved is not available for a variety of reasons (i.e., unexpected maintenance problems, guest stayovers, and over-booking by the hotel) and a substitute hotel of equal or greater quality is provided. In the event that your hotel standard is being substantially downgraded, a refund reflecting the difference in price will be issued. A change in currency or exchange is not considered a major change. The governing laws of the State of Idaho shall prevail, and any dispute may be resolved in the City of Coeur d’Alene by means of arbitration. The prevailing party of any dispute will be entitled to recuperate pertinent legal fees and costs from the other party.
