TERMS AND CONDITIONS

Proper Documentation

All members of this tour must carry passports valid for at least six months beyond their scheduled date of return. Since this journey includes Saudi Arabia, Jordan and Egypt, visas will be required. We will purchase the Egyptian visas on arrival in Cairo (approximately \$20) and Living Passages will obtain the visas for Saudi Arabia and Jordan on your behalf (if you are residents of the countries that allow E-Visas (United States, Canada, Australia, New Zealand, etc). Since the trip also includes Israel, please note that Israel requires that all visitors have a type of medical insurance that is going to be valid inside the country of Israel. The optional insurance we offer does provide this (in addition, trip cancellation insurance and delay insurance). At this time, there are no Covid requirements for any of our destinations – no PCR tests and no injections. But please note that things can also change. At this time, we have no way of knowing what could be implemented in the future. Please note that the vendors will have already accepted your booking knowing there is a current global threat. Therefore, if you book this tour, you are accepting the terms of the airlines, the TSA, the countries to which you are traveling and/or other governing parties without fully knowing what they will be by the time you travel.

Air Tickets

There is a price and schedule we recommend from New York/JFK included on Turkish Air (they have numerous other cities as well) through Istanbul to Cairo, and return from Tel Aviv also through Istanbul. The rate prior to April 15, 2024 is \$1,699. If you wish to fly nonstop from Newark, NJ, we recommend a schedule that flies nonstop to Cairo on Egypt Airlines and you can return from Tel Aviv to Newark on United Airlines. The rate total for those two nonstop flights is \$1769 until April 15, 2024. These flights were selected for their early morning arrival. It provides you with the ability to rest before beginning your day. You are also welcome to book your own air and meet us in Cairo and depart the morning the tour arrives, or meet us at the Sheraton Hotel in Cairo before our afternoon tour departs on February 13 or February 15. If you wish to utilize our airport transfers and book your own air, please be sure to arrive in Cairo at the same time our flight arrives, and depart at the same time (or later) our flight departs Tel Aviv on March 1. We can email you the Turkish Air schedule based on your closest airport.

The air schedule is below on Egypt Air, returning on United:

Pre-tour: Feb 12: Depart Newark on Egypt Air #988 at 12:00N arriving on Feb 13 at 5:50AM.

Main-tour: Feb 14: Depart New York/JFK on Egypt Air #986 at 11:00AM, arriving on Feb 15 at 4:40AM.

Israel Return: March 1: Depart Tel Aviv on United #85 at 11:30AM, arriving Newark at 4:45PM (same day).

Egypt Air will allow you to purchase seats starting at \$20 and up to \$75 for exit row. They also have a program that allows you to bid on business class 7 days prior to departure. You can upgrade to business class on Egypt air at time of booking through Living Passages for an additional \$2,800 one-way per person (price subject to change). United will offer a way to purchase more leg room on the flights. If this is the case, you would be able to purchase additional legroom directly from the carrier on or after Feb 4, 2024. It is usually \$225 to \$300 per long flight per person. If you choose to fly home after the Saudi Arabia portion of the expedition (your return flight if you depart after Saudi will leave from either Aqaba or Amman in Jordan). We will assist you to determine the best city and air schedule to choose. You can purchase the air however you wish, but we can help with understanding transfers and any additional concerns you may have. We are very familiar with the various airports and transfer systems to return from Arabia.

We match roommates! If you are a single person or traveling alone, we do have others who would like to travel with us without paying the single supplement. We assign roommates approximately 2 weeks prior to departure. We cannot guarantee it, but it has worked well for many.

Airfare is always non-refundable.

Major Changes

Destinations and the sites offered here can be withdrawn at any time by government restrictions and other reasons beyond our control. COVID blamed cancellations (or any of transportation delay, including but not limited to liability for inconvenience, shortened vacation time, additional expense, or any other kind of damage. LP is not responsible for government actions, weather, mechanical breakdowns, war, terrorism, acts of nature (secularly known as "Acts of God"), denying entrance to a site due to political, medical or other reasons or other circumstances beyond its control. If a travel ban is imposed by the United States on any country we are scheduled to tour we will attempt to secure another destination. We cannot be held accountable due to political decisions. In the event of delay, the airline, yacht owner or tour company and not LP, determines delay procedures and the amenities/compensation, if any, to be offered. LP will not accept responsibility for additional charges incurred for expenses or lost wages as a result of changes to flight times, and/or missed vacation time.

EXODUS ROUTE | FEBRUARY 14 - MARCH 1, 2025

OPTIONAL GOSHEN - LAND OF JOSEPH PRE-TOUR | FEBRUARY 12-15

TERMS AND CONDITIONS

Activities

Participants may choose to engage in various activities including, but not limited to, climbing, camel riding, 4-wheeling, hiking, swimming and other "activities"; participants are hereby notified that these and other activities may be dangerous and may result in a serious injury and that participation in these activities shall be at the participant's own risk. Living Passages (herein referred to as LP) shall not be liable for any injuries sustained by cruise/tour participants, which are a result of participant's engaging in such activities.

Travelers Who Need Special Assistance

LP must be advised of a participant's special requirements at the time of booking and we will make every effort to accommodate special requests but cannot confirm a reservation until all travel suppliers have acknowledged that they can provide the services requested.

Prepaid Tips

All tips are prepaid and distributed on your behalf throughout the tour to cover tipping for guides, drivers, etc. Extra financial consideration for any exemplary act of service by a server, guide or other host would be a blessing to all.

Fuel Surcharges, Fees or Taxes

It is possible that the ground, vehicles, cruise lines, governments, visa providers or facilitators and other operators will bill LP for additional fuel surcharges, fees and or other taxes. You will be notified quickly and prior to being billed for final payment if any vendors make any of these types of increases. You may arrange your own air travel.

Currency and Special Provisions

Pricing of tour and event was based on currency that was in effect on June 10, 2023. You will be notified as far in advance as possible in the event the price of the tour needs to be adjusted. We do not foresee this happening, but in today's economic climate, we have to be prepared for any currency discontinuation or devaluation or "reset" that can affect any of the countries we visit, transit or to which we provide governance. We will do everything possible to not allow this to happen, but we have to be mindful of the world's current political environment. A currency alteration can originate in the Euro, the Dollar, the Saudi Riyal, the Israeli Shekel, the Jordanian Dinar or the Egyptian Pound. Any of these adjustments can affect your trip.

Safety

The safety of passengers is a primary concern of LP but also of the owners and operators of the, aircraft, yacht, camps, resorts, ground transportation, and other facilities being used. If safety is threatened by any factors the owners/operators of other facilities and services reserve the right to make whatever changes to the itinerary or schedule they deem necessary for the safety of all. In the event of danger or war, we will do all possible to facilitate a change of dates, destinations and vendor refunds. It all depends on timing and geography. There is never a set standard of operation. In 25 years, we have never seen an entirely negative outcome. But, we are navigating interesting times.

Responsibility

LP has the responsibility of booking with airlines, hotels, transportation vehicles, ground operators and tour guides to provide you with these services. The carriers, hotels, and other suppliers providing tour services are independent contractors and are not agents, employees, or servants of, or joint ventures with LP or its affiliates. All certificates and other travel documents for tour services issued by LP are subject to the terms and conditions specified by the supplier, and to the laws of the countries in which the services are supplied. Each participant agrees not to hold LP liable, in the absence of its own negligence, for any loss, act or omission, whether negligent or otherwise, of any person or firm which is to, or does provide goods or services for the trip and shall have no liability to the participant for the quality of services or the condition or cleanliness of accommodations or for any the new disease related creations that are being patented and distributed and acts of war), postponements and such of any kind are not the responsibility of LP. You are booking the trip at your own risk and penalties will not be waived. If LP first knows of a major change

less than 90 days before scheduled departure, LP's liability is limited to refunds that we can obtain on your behalf excluding insurance and any other nonrefundable airfare paid or visa fees, and nonrecoverable costs from our vendors but not for any COVID or other named health, protocol or vaccination mandate. LP contracts with certain hotels and ship companies to supply accommodation and transportation. Occasionally, the accommodation reserved is not available for a variety of reasons (i.e., unexpected maintenance problems, guest stayovers, and over-booking by the hotel) and a substitute hotel of equal or greater quality is provided. In the event of your hotel standard is being substantially downgraded, a refund reflecting the difference in price will be issued. A change in currency or exchange is not considered a major change. Our experience with the Saudi government is that we must be prepared for hotel changes based on their marketing needs of the NEOM project. So far, while we have seen hotel changes on 80% of our departures, all of the changes have been quality. The governing laws of the State of Idaho shall prevail and any dispute may be resolved in the City of Coeur d'Alene by means of arbitration. The prevailing party of any dispute will be entitled to recuperate pertinent legal fees and costs from the other party.
