TERMS AND CONDITIONS

Proper Documentation

All members of this tour must carry passports valid for at least six months beyond their scheduled date of return (March 17, 2025). Israel requires that all visitors have a type of medical insurance that is valid inside the country of Israel. The optional insurance we offer provides this (in addition to trip cancellation insurance and delay insurance). At this time, there are no Covid requirements for Israel, Jordan or Saudi Arabia, as well as no required PCR tests and no injections. However, please note that things can also change. At this time, we have no way of knowing what could be implemented in the future. Please note that the vendors will have already accepted your booking knowing that there is a current global threat. Therefore, if you book this tour, you are accepting the terms of the airlines, the TSA, the countries to which you are traveling and/or other governing parties without fully knowing what they will be by the time that you actually travel.

Business Class or Seat Upgrades: Delta or British Air offers three different avenues to upgrade seats. Business class (this is too expensive for us to offer within this tour so you would book these seats directly with Delta or British Air). Expanded leg room: You can book these seats approximately 28 days prior to departure at a cost of between \$150 and \$200 per travel portion, per person. All seat assignments on group tickets cannot be attempted until 28 days prior to departure. Any upgraded seats of any kind on any carrier would be done with them directly.

Re-issuance of tickets that must be changed or re-issued for any reason, may be subject to charges or fees by the carriers and/or other vendors; such fees may be substantial. We cannot stress enough the importance of trip insurance.

Due to the current situation arising with struggling airlines, we are recommending that those purchasing airline tickets including connecting flight tickets wait until 21 days prior to departure to purchase such tickets.

Note: If taking the British Air schedule, both Delta and Alaska will charge you for checking bags on those domestic flights.

Limitations

The air carrier(s), group operators and LP reserve the right to substitute equipment and properties and to add or delete enroute stops at our discretion with or without notice. The hotels, airlines, ground operators and other vendors used by LP reserve the right, in special circumstances, to substitute accommodations/transportation and sights of similar or better quality without penalty. This includes sites as noted on the itinerary. If taking the extension, understand that the KSA is in its infancy. Because of this, they can choose to do site work that may affect our visits.

Singles

We match roommates! If you are a single person or traveling alone, we do have others who would like to travel with us without paying the single supplement. We assign roommates, as available, approximately 2 weeks prior to departure. We cannot guarantee it, but it has worked well in the past for many of our travelers.

Making Your Deposit / Reservations

- If depositing prior to May 22, 2024, a non-refundable deposit of \$350 per person is due (plus optional travel insurance) along with your signed registration form. If booking after May 22, 2024, full payment is due within 7 days of your registration. Payments not received by the due date are subject to a 5% monthly finance charge and a possible cancellation of the reservation.
- Please note we will continue to take bookings and reservations until our departure, as long as space is available, and we will do everything possible to make sure you can join us!
- You may use a credit card for your initial deposit and optional insurance and then pay the balance with cash or check and still receive the full cash discount.

Changes / Revisions

We will try to accommodate name changes, but additional fees may be imposed and passed-on by the carriers. If specific rooming requests are altered due to cancellation by one or more passengers, the passenger(s) still traveling may be required to pay the resulting applicable occupancy rate. Trip insurance may cover this additional cost.

Cancellation and Refunds

In the event that you must cancel your reservation or payments are not received by specified deadlines, refunds are made in accordance with the following schedule. All cancellations received after booking and deposit will forfeit the \$350 deposit (sorry, no exceptions). Important to note that as of February 20, 2024, insurance companies do NOT cover Israel cancellations due to war or terrorism.

- 96 to 68 days prior to departure, the cancellation fee is \$1,690 (sorry, no exceptions) for those taking only the main tour to Israel only, per person, plus any additional costs incurred, pre- or post-options, and insurance or add-on travel that you may have purchased. The cancellation fee is \$2900 for those taking the entire expedition to Israel, Jordan and Saudi Arabia, plus any additional costs incurred, pre- or post-options, and insurance or add-on travel that you have purchased.
- 67 days and less the trip becomes nonrefundable. Please know that credits transferred from another tour are subject to the nonrecoverable costs in place at the time of transfer. These funds will remain nonrefundable. If you accept the offered travel insurance, any insurance premium paid is nonrefundable, if you have filed a claim, plan to file a claim, or have departed on your trip and subject to the terms and conditions of the provider. Airfare is always non-refundable.

Responsibility

LP has the responsibility of booking with airlines, hotels, transportation vehicles, ground operators and tour guides to provide you with these services. The carriers, hotels, and other suppliers providing tour services are independent contractors

TERMS AND CONDITIONS

and are not agents, employees, or servants of, or joint ventures with LP or its affiliates. All certificates and other travel documents for tour services issued by LP are subject to the terms and conditions specified by the supplier, and to the laws of the countries in which the services are supplied. Each participant agrees not to hold LP liable, in the absence of its own negligence, for any loss, act or omission, whether negligent or otherwise, of any person or firm which is to, or does provide goods or services for the trip and shall have no liability to the participant for the quality of services or the condition or cleanliness of accommodations or for any transportation delay, including but not limited to liability for inconvenience, shortened vacation time, additional expense, or any other kind of damage. LP is not responsible for government actions, weather, mechanical breakdowns, war, terrorism, acts of nature (secularly known as "Acts of God") denying entrance to a site due to political or other reasons or other circumstances beyond its control. If a travel ban is imposed by the United States on any country we are scheduled to tour we will attempt to secure another destination. We cannot be held accountable due to political decisions. In the event of delay, the airline or tour company and not LP, determines delay procedures and the amenities/compensation, if any, to be offered. LP will not accept responsibility for additional charges incurred for expenses or lost wages as a result of changes to flight times, and/or missed vacation time.

Activities

Participants may choose to engage in various activities including, but not limited to, climbing, camel-riding, 4-wheeling, hiking, swimming and other "activities;" participants are hereby notified that these and other activities may be dangerous and may result in a serious injury and that participation in these activities shall be at the participant's own risk. Living Passages (herein referred to as LP) shall not be liable for any injuries sustained by cruise/tour participants, which are a result of participants engaging in such activities.

Travelers Who Need Special Assistance

LP must be advised of a participant's special requirements at the time of booking and we will make every effort to accommodate special requests but cannot confirm a reservation until all travel suppliers have acknowledged that they can provide the services requested.

Prepaid Tips

All tips are prepaid and distributed on your behalf throughout the tour to cover tipping for guides, drivers, etc.

Fuel Surcharges, Fees or Taxes

It is possible that the ground, vehicles, governments, visa providers or facilitators and other operators will bill LP for additional fuel surcharges, fees and or other taxes. You will be notified quickly and prior to being billed for final payment if any vendors make any of these types of increases. You may arrange your own air travel.

Currency and Special Provisions

Pricing of tour and event was based on currency that was in effect on February 12, 2024. You will be notified as far in advance as possible in the event the price of the tour needs to be adjusted. We do not foresee this happening, but in today's economic climate, we have to be prepared for any currency discontinuation or devaluation or "reset" that can affect any of the countries that we visit, transit or to which we provide governance. We will do everything possible to prevent this from happening, but we have to be mindful of the world's current political climate.

Safety

The safety of passengers is a primary concern of LP but also of the owners and operators of the vessels, aircraft, camps, resorts, ground transportation, and other facilities being used. If safety is threatened by any factors, the owners/operators of other facilities and services reserve the right to make whatever changes to the itinerary or schedule that they deem necessary for the safety of all. In the event

of danger or war, we will do everything possible to facilitate a change of dates, destinations and vendor refunds. It all depends on timing and geography. There is never a set standard of operation. In 20 years, we have never seen an entirely negative outcome for a group. But, we do live in interesting times. In the event that you choose to climb, hike, snorkel, dive or take part in any activity, you are solely responsible to ensure that you have the capabilities to perform the activities. There will be additional Saudi emergency services that will be offered in the coming months. This is supplied by a separate company for those who engage in these types of activities. We are traveling to Jabal al Lawz and the Split Rock of Horeb—both of which have neither tourism nor medical infrastructure.

Major Changes

Destinations and the sites offered here can be withdrawn at any time by government restrictions and other reasons beyond our control. Cancellations attributed to Covid or to any new disease-related creations and acts of war, postponements and such of any kind are not the responsibility of LP. You are booking the trip at your own risk and penalties will not be waived. If LP first knows of a major change less than 21 days before scheduled departure, LP's liability is limited to refunds that we can obtain on your behalf, excluding insurance and any other nonrefundable airfare paid or visa fees, and nonrecoverable costs from our vendors but not for any COVID or other named health or vaccination mandate. LP contracts with certain hotels to supply accommodation. Occasionally, the accommodation reserved is not available for a variety of reasons (i.e., unexpected maintenance problems, guest stay-overs, and over-booking by the hotel) and a substitute hotel of equal or greater quality is provided. In the event that your hotel standard is being substantially downgraded, a refund reflecting the difference in price will be issued. A change in currency or exchange is not considered a major change. The governing laws of the State of Idaho shall prevail and any dispute may be resolved in the City of Coeur d'Alene by means of arbitration. The prevailing party of any dispute will be entitled to recuperate pertinent legal fees and costs from the other party.
