TERMS AND CONDITIONS

negligence, for any loss, act or omission, whether negligent or otherwise, of any person or firm which is to, or does provide goods or services for the trip and shall have no liability to the participant for the quality of services or the condition or cleanliness of accommodations or for any transportation delay, including but not limited to liability for inconvenience, shortened vacation time, additional expense, or any other kind of damage. LP is not responsible for government actions, weather, mechanical breakdowns, war, terrorism, acts of nature (secularly known as "Acts of God"), denying entrance to a site due to political or other reasons or other circumstances beyond its control. If a travel ban is imposed by the United States on any country we are scheduled to tour we will attempt to secure another destination. We cannot be held accountable due to political decisions. In the event of delay, LP does not determine delay procedures and any amenities or compensation that might be offered. LP will not accept responsibility for additional charges incurred for expenses or lost wages as a result of changes to flight times, and/or missed vacation time.

Activities

Participants may choose to engage in various activities including, but not limited to, climbing, camel riding, 4-wheeling, hiking, utilizing the swim platform, climbing Mount Sinai or other archeological sites, swimming and other "activities"; participants are hereby notified that these and other activities may be dangerous and may result in a serious injury and that participation in these activities shall be at the participant's own risk. Living Passages (herein referred to as LP) shall not be liable for any injuries sustained by cruise/tour participants, which are a result of participant's engaging in such activities.

Travelers Who Need Special Assistance

LP must be advised of a participant's special requirements at the time of booking and we will make every effort to accommodate special requests but cannot confirm a reservation until all travel suppliers have acknowledged that they can provide the services requested.

Prepaid Tips

All basic tips are prepaid and distributed on your behalf throughout the main segment of the tour being March 5-15, 2024. If you take add-on extensions, gratuities will be recommended. Extra financial consideration for any exemplary act of service by a server, guide or other host would be a blessing to all on all portions of your journey.

Fuel Surcharges, Fees or Taxes

It is possible that the ground, vehicles, governments, visa providers or facilitators, and other operators will bill LP for additional fuel surcharges, fees, and or other taxes. You will be notified quickly and prior to being billed for final payment if any vendors make any of these types of increases. You may arrange your own air travel.

Currency and Special Provisions

Pricing of tour and event was based on currency that was in effect on April 3, 2023. You will be notified as far in advance as possible in the event the price of the tour needs to be adjusted. We do not foresee this happening, but in today's economic climate, we have to be prepared for any currency discontinuation or devaluation or "reset" that can affect any of the countries we visit, transit or to which we provide governance. We will do everything possible to not allow this to happen, but we have to be mindful of the world's current political environment. A currency upset or change in any fashion can originate in the Euro, the Dollar or the Turkish Lira, the Saudi Riyal, the Egyptian Pound, and the Jordanian Dinar that can affect your trip. It is important to be aware that we also cannot guarantee that specific speakers and/or tour leaders or hosts are guaranteed. You would need to accept on this trip that something could happen and a teacher or leader may not be able to join us.

Safety

The safety of passengers is a primary concern of LP but also of the owners and operators of the, aircraft, camps, resorts, ground transportation, and other facilities being used. If safety is threatened by any factors the owners/operators of other facilities and services reserve the right to make whatever changes to the itinerary or schedule they deem

necessary for the safety of all. In the event of danger or war, we will do all possible to facilitate a change of dates, destinations and vendor refunds. It all depends on timing and geography. There is never a set standard of operation. In 20 years, we have never seen an entirely negative outcome for a group. But, we do live in interesting times.

Major Changes

Destinations and the sites offered here can be withdrawn at any time by government restrictions and other reasons beyond our control. COVID blamed cancellations (or any of the new disease related creations and acts of war), postponements and such of any kind are not the responsibility of LP. You are booking the trip at your own risk and penalties will not be waived. If LP first knows of a major change less than 21 days before scheduled departure, LP's liability is limited to refunds that we can obtain on your behalf excluding insurance and any other nonrefundable airfare paid or visa fees, and nonrecoverable costs from our vendors but not for any COVID or other named health or vaccination mandate. LP contracts with certain hotels to supply accommodation. Occasionally, the accommodation reserved is not available for a variety of reasons (i.e., unexpected maintenance problems, guest stayovers, and over-booking by the hotel) and a substitute hotel of equal or greater quality is provided. In the event of your hotel standard is being substantially downgraded, a refund reflecting the difference in price will be issued. A change in currency or exchange is not considered a major change. The governing laws of the State of Idaho shall prevail and any dispute may be resolved in the City of Coeur d'Alene by means of arbitration. The prevailing party of any dispute will be entitled to recuperate pertinent legal fees and costs from the other party.
